III. Read the passage. Circle the correct answer. (3 pts)

I can make green with yellow and blue. And you?

My name's Mai. My favorite color is orange. You can make all colors with red, yellow, blue, black and white. For example, you can make orange with red and yellow, pink with red and white, or gray with black and white. You can also make purple with blue and red.

1. What's Mai's favorite color?	a. red	b. orange	c. pink
2. Which colors can you make green?	a. yellow and blue	b. yellow and red	c. red and blue

3. How many colors are there for making all the colors?		
a. 3	b. 4	c. 5
4. With red and yellow, which color can you make?		
a. blue	b. orange	c. purple
5. Which colors can you use to make pink?		
a. red and yellow	b. yellow and blue	c. red and white
6. Which colors can you use to make purple?		
a. red and blue	b. yellow and blue	c. blue and white

GOOD LUCK!
