ELECTIONS IN OUR SCHOOL

I. Read carefully the paragraphs:

What is a student debate?

It's an event which give candidates the opportunity to share their political ideas with other students and answer the questions of the public about their government plans for the school.

Candidate 1

Her name is Sandra Sofia, and she is a student of Fourth grade section C. She is a responsible and excellent student. Every day she and other students cross the river in motorcycle to come to school. The symbol of her political party is a tree.

Candidate 2

His name is Jhan Pool, and he is a student of Fourth grade section A. He is an extrovert student. He loves playing football. The symbol of his political party is a boy with a ball.

Candidate 3

His name is Marco Antonio, and he is a student of Fourth grade section B. He is a mischievous student so many times he makes crazy things. Also, he is a talented student because he loves singing Mexican music. The symbol of his political party are the hands.
