

SHAWN MENDES

SOMETHING BIG

[Intro]

**One, two, three, four
Oh, woah, woah, oh, woah
Oh, woah, woah, oh, woah**

[Verse 1]

**... the lotto, you might win it
It's like 25 to life, so you bust outta prison
Something's in the air, something's in the air
It's like that feeling when you're just about to ... it
... your last shot, you know you're ... hit it
Something's in the ..., something's in the ..., woah**

[Chorus]

**Something, I feel it happening
Out of my ...
..., pulling and it's grabbing me
Feel it in my ...
Like oh, woah, woah, oh, woah
Something big, I ... it happening
Oh, woah, woah, oh, woah
Something big**

SHAWN MENDES

SOMETHING BIG

[Verse 2]

**It's like that feeling when you're 'bout to win the medal
And you so hard, that you knew you wouldn't settle
... are in the air, are in the air
When they hear you when you thought they wouldn't ...
It's like an anthem that the whole world's singin'
... are in the air, ... are in the air, woah**

[Chorus]

**..... big, I feel it happening
..... of my control
Pushing, pulling and it's me
Feel it in my bones
Like oh, woah, woah, oh, woah
Something big, I feel it
Oh, woah, woah, oh, woah
Something big**

SHAWN MENDES

SOMETHING BIG

[Bridge]

Woah, yeah, yeah

If we stomp out ..., the ground will ...

If we clap our hands, the walls will ...

Yell so loud, won't forget our names

'Cause something big is happening

Take this spark and ... a fire

Raise this up, we're feeling ...

They can't tell us anything

'Cause something big is

[Chorus]

Something big, I feel it ...

Out of my control

Pushing, ... and it's grabbing me

Feel it in my ...

Like oh, woah, woah, oh, woah

Something big is happening, woah

Oh, woah, woah, oh, woah

Something big, I feel it happening, oh
