■ On the weekends, Sheila and her friend Jack usually go to the movies. They both enjoy watching comedies. In their spare time, they also play sports or go to the gym. On weekdays, though, Sheila works long hours and she never goes to the gym. She usually stays at home and watches TV.

■ Tony and Joe enjoy going to the gym, and they really love playing sports too. On Mondays and Wednesdays they go to the gym. On Tuesdays, Thursdays and Fridays they play sports like soccer or baseball. They sometimes stay at home and read books or magazines but not very often. They usually do that on the weekends.

■ Carla and Sam are colleagues, but they are roommates too. On weekdays, they work until late in the evening and they don't have a lot of spare time. After work, they always stay at home and surf the Internet or watch TV. On the weekend, they never stay at home. They play sports, go to the gym, or go clubbing. They love dancing!
