Cari padanan huruf Tunggal dan bersambung dengan betul

The worksheet is designed for matching single and connected Arabic letters. It consists of a central column of seven orange boxes, each with an arrow pointing to it from a grid of letter options on the right. The letters in the grid are arranged in two columns: the left column contains 'ث', 'ح', 'ش', 'ض', 'ظ', and 'ق' from top to bottom; the right column contains 'ت', 'ج', an empty box, another empty box, 'ط', an empty box, and 'ف' from top to bottom. The central column of orange boxes contains, from top to bottom: an empty box, an empty box, a box with the connected letters 'سَش', an empty box, an empty box, a box with the connected letters 'عَغ', and an empty box. Arrows point from the letter boxes on the right to the corresponding orange boxes on the left.
