Find the 6 mistakes

A Read the phone conversation carefully. Find and correct the six mistakes.

Jackie: Hi, Mark. Are you ready for tomorrow?

Mark: Hi, Jackie. I'm just packing now.

Jackie: Remember packing your iPad. Mine's not working.

Mark: Yes, I've done that. Anyway, what time should we take the train to the airport?

Jackie: We don't need worrying about that. My dad's agreed to give us a ride.

Mark: Are you sure?

Jackie: It's fine. Dad doesn't mind to drive.

Mark: What time do we need leaving in the morning?

Jackie: At 8:30.

Mark: That's really early ...

Jackie: Yes, I know. I want to spend time to shop.

Mark: Yes, good idea. I need to exchange some money. I didn't manage getting to the bank this afternoon.

Jackie: OK. I'm going to finish to pack now. Bye!
