

COUNT ON ME

BRUNO MARS

LEARNING OBJECTIVE:

Complete the first part of the first conditional with the correct second part!

If you ever find yourself stuck in the middle of the sea...

If you ever find yourself lost in the dark and you can't see...

We'll find out what we're made of, when we are called to help our friends in need

You can count on me like one, two, three, I'll be there

And I know when I need it, I can count on you like four, three, two....

'Cause that's what friends are supposed to do, oh, yeah

If you tossin' and you're turnin' and you just can't fall asleep...

And if you ever forget how much you really mean to me...

We'll find out what we're made of, when we are called to help our friends in need

You can count on me like one, two, three, I'll be there

And I know when I need it, I can count on you like four, three, two, and you'll be there

'Cause that's what friends are supposed to do, oh, yeah

You'll always have my shoulder...

I'll never let go, never say goodbye

You know you can count on me like one, two, three, I'll be there

And I know when I need it I can count on you like four, three, two

And you'll be there

'Cause that's what friends are supposed to do, oh, yeah

Ooh-ooh-ooh-ooh

You can count on me 'cause I can count on you
