

# KNIGHTS' HABITS

COMPLETE THE FOLLOWING TEXT USING "USED TO" -  
AFFIRMATIVE, NEGATIVE OR INTERROGATIVE FORM

Knights \_\_\_\_\_ (display) bravery, strength, and skill in battle, which was called prowess. They \_\_\_\_\_ (respect) women, defend the weak and the poor, and be generous to others. Knights also \_\_\_\_\_ (stay) loyal to their lord, family, and friends. Courtesy meant behaving with kindness and respect, thinking about the feelings of others, and showing good manners.

Knights \_\_\_\_\_ (attack - neg) an enemy's horse, as that was not courteous. If they knocked an enemy off his horse, they \_\_\_\_\_ (strike - neg) again until the other knight was mounted. \_\_\_\_\_ knights \_\_\_\_\_ (show - int) mercy if an enemy begged to surrender? Yes! they would allow him to become a prisoner rather than kill him.
