

Like it is going out of fashion! (to do something a lot and quickly)

1. Rewrite the sentences following the example.

Example: She's buying shoes like she'll never see them again!

She's buying shoes like **it's going out of fashion**—her closet is full!

1. He's eating chips like he's never had them before!

2. They're playing that game nonstop, every single day.

3. My friend is drinking so much coffee this week; it's like she needs it every minute!

4. She can't stop shopping for clothes—her closet is full!

5. He's watching a new movie every night, like he can't get enough!

6. They're taking pictures all day long on vacation, filling up their phones!
