

# Vocabulary training

## School

Fill in the gaps.

raise our hands

sit a mock exam

excel at

catch up with my studies

pay attention

take a gap year

apply for admission

received a B

retake an exam

hand in my homework

am in two minds

pass my exams with flying colors

1. After being absent for a week, I found it hard to \_\_\_\_\_.

2. I need to \_\_\_\_\_ by Friday to avoid losing marks.

3. The teacher asked us to \_\_\_\_\_ before speaking to make the class more organized.

4. I plan to \_\_\_\_\_ next week to see how prepared I am for the real test.

5. After checking my results, I saw I had \_\_\_\_\_ in the test, which is better than I expected.

6. We had to \_\_\_\_\_ because many of us did not pass the first time.

7. Many students choose to \_\_\_\_\_ to travel or work before starting university.

8. I want to \_\_\_\_\_ all my subjects this semester because I'm aiming for a scholarship, which requires high grades in each course.

9. If I want to enter a good university, I need to \_\_\_\_\_ early, as spots in the top programs fill up quickly.

10. The teacher always tells us to \_\_\_\_\_ during lessons, especially when explaining new topics, so we don't miss important details.

11. I \_\_\_\_\_ about whether to choose art or music as my main subject because I enjoy both and think they could lead to creative career paths.

12. I hope to \_\_\_\_\_ this year. I really deserve it after all this studying.
