

**Read the phrases and put in did, was (were) or be**

There will never another boy for me like you.

The radio in the car broken.

Oh, yeah I'm going to your man

We the world a favor.

At first, it OK. It a good song.

My dad going to love you.

There one CD, and only one track that not skip.

- Do you feel bad about what we ?
- About the man? I pleased
- Alyssa had started to use "we" in relation to the incident.

I had an air rifle when I ten.

- Yeah, I gave it him for his birthday.
- Which birthday this?

He asked for a machete... but I said that a bit full-on.

- he buy a key ring? No.
- you encourage him to buy a key ring?

Yeah, but if it self - defense...

Why not he tell me that he moved?

Going back a few years, there talk among some old colleagues

We really doing something, going somewhere, and it felt good.

Read the phrases and put the words in brackets in the correct form (to do/do/doing)

After the murder, other crimes (seem) pretty easy by comparison.

You can't (fill up) with the car running, can you?
Can you (turn off) the engine, please?

OK. I'll keep the engine (run), you get out, fill up

Shut up! Do you want me (wet) myself?

If this is what gets us caught, I'm going (kill) myself.

Let's (go) in and (pay), shall we?

- How do you know how (do) that?
- Practice. I know how (do) a lot of things.
- Like what?

Keep on (run)
Keep on (hide)

Would you like (buy) a key ring?

why on earth would you (give) a 13-year-old boy a hunting knife?

Here I am (stand) in the desert with a gun

We needed (get out) of there.

I'm going (get) you arrested! And then I'm going (sue) you! All of you!

One fine day I'm going (be) the one to make you (understand)
