Dear Krish,

I hope you're recovering well from high fever. I just want to share my daily routine. Hopefully, it can give you some idea of how to stay healthy. Every day I get up as early as six o'clock in the morning. I'll drink two glasses of warm water before taking my shower. After that, I'll have my breakfast. I like to have milk and toasted bread with an egg. I don't feel sleepy or tired if I have a good and healthy breakfast. For lunch, I usually take vegetables and fruit. They're loaded with vitamins and minerals that can help us avoid **sickness**. In the evening, I'll play football with my friends. We usually play in an open space to enjoy the fresh air. I usually drink one glass of milk at night before going to bed. I think healthy meals and activities can make our body healthy.

Sincerely,
Aaron
