### Recipe to Make a Cake

Finally, we can decorate to taste with Chantilly cream or melted chocolate.

\_\_\_\_\_

Then, we mix well until we obtain a uniform dough.

\_\_\_\_\_

First, we must put flour, egg yolks, sugar, salt, butter and yeast in a bowl.

\_\_\_\_\_

After that, we spread oil or butter in a mold, to be able to bake the cake.

\_\_\_\_\_

Then, we place the dough in the mold and bake it until it is brown.

\_\_\_\_\_

Next, we can add essences, dried fruits or any element that we want to add to the cake. \_\_\_\_\_
