Travel survey gives its verdict on European cities

The city iS one of the dirtiest places in Guatemala. According to TripAdvisor there is trash everywhere. According to a survey, in which 2,400 people participated, these were some of the answers.

1. _____ is the most romantic place.
2. _____ is the coolest and most modern place
3. _____ has the most malls and stores.
4. _____ has the most atractions
5. _____ has the worst weather.
6. _____ gets the most visitors

Guatemala has its highs and lows, but it offers travelers a hugevariety if culture and sights that you can visit in short distances.

Can Guatemala be part of the countries described in the magazine?

I think the city is not the nicest place in the group.
