

**43Things** is a website where people write things that they want to do. There are always 43 different ambitions. Some are trivial, some are more serious. Other people respond and write about their experiences and sometimes give advice.

# What do **you** want to do with your life?

On 43Things today, people want to...

learn to cook   learn to dance like Shakira   make a short film  
visit all the continents   spend less time on the internet   write a novel  
read 12 books a month   run a half marathon   see Radiohead live  
learn to speak Italian   stop biting my nails   get married

spend less money on clothes   stop eating meat   stay awake for 24 hours

A

Spend less time on Facebook, for example only two hours at the weekend. Stop using Second Life if you use it. (I uninstalled it).

B

Get a Laura Pausini CD. Download the lyrics to a song and translate them – you can use Google Translate for this. Listen carefully to the pronunciation, and then sing along with her ( I sang “Incancellabile”).

C

You just **need** to stop cutting it! Don't worry about the latest fashions. Go for it!

D

Choose five things you really **like** eating (e.g. roast chicken and chocolate cake) and then look at recipes on the internet. Choose the recipes that **you'd like** to try, preferably ones that aren't too difficult. Make the five things again and again until they're perfect. It isn't difficult, you just need to practise.

E

Wear black clothes. Be yourself, and listen to bands like The Cult and The Mission.
