

Tommy's Family Picnic

Tommy lives in a big house with his family. He has a **mom**, a **dad**, a **sister** named Lily, and a **brother** named Max. Tommy loves his family very much!

One sunny day, Tommy's family decides to go on a picnic.

"Let's go to the park," says **Mom**.

"Yay!" says Tommy. "I love the park!"

Tommy, Lily, Max, and **Mom** pack a big basket with sandwiches, fruit, and juice.

Dad brings the blanket, and everyone gets in the car.

At the park, they find a nice spot under a big tree.

"We are ready to eat!" says **Mom**.

Tommy and Lily play with a ball, while Max helps **Dad** set up the blanket.

After lunch, they all take a walk.

"Look, Mom!" says Tommy. "I see a squirrel!"

"Wow!" says **Dad**. "It's so cute!"

Later, they sit together, laughing and talking.

"I love picnics with my family," says Tommy.

"It's fun," says Lily.

"Yes," says **Mom**, "family picnics are the best!"
