Hi there! My name is Roy. Today, I want to tell you about my favourite hobby. I love playing football! Every day after school, I go to the park with my friends, and we play football together. We run, kick the ball, and try to score goals. It's so much fun! Last weekend, we had a big football match against another school. We played really well, and I scored a goal! We had a big celebration after the match. We were so happy! Football is an excellent sport and helps me to make new friends. It also helps me to be active and that's good for my health.
