The service is good at the Coffee Stop Café but the coffee is bad. There is a bus stop in front of the café, so the location is convenient. The service is fast. The prices are good. But the coffee is cold and brown. It's not coffee; it's dirty water. I didn't like it.

Casmir Kowalski checks in to Delicious Vegetables Restaurant

★★★★ May 12 at 12:30 P.M.

This is the best vegetarian restaurant in Connecticut. Delicious Vegetables Restaurant: the menu has many different vegetables, no meat, only vegetables. There are salads, pasta, pizza, and hamburgers with tomatoes, carrots, on-ions, potatoes and more. I had the pasta with spring vegetables and cheese. It was delicious but there was a little bit too much salt. The restaurant is in a good location, downtown, around the corner from the art museum.
