

Athena

Athena is the goddess of and cunning She is also the goddess of-making and-working. Almost every town in Greece has adedicated to Athena.

She invents the chariot, the bridle and builds the first Thetree is sacred to her.

Zeus is the father of Athena and her mother is, which means

Before Athena was born, Zeus was worried because he knows that any child born to Metis will be more powerful than himself. Zeus decides to Metis before she can give birth to the child.

Some time later Zeus begins to have terrible The pain grows so unbearable that Zeus asks Hephaestus to cut his head open to see what is wrong.

When Hephaestus opens his head, Athena emerges from Zeus', fully grown and dressed for battle.
