A Day of Housework

Emma always spends her Saturdays at home and does all the housework that she couldn't do during the week. She wakes up early, makes a list of tasks, and plans to finish everything by the afternoon.

Yesterday, she did some cleaning but couldn't finish it all. She vacuumed the living room and dusted the furniture, but she hasn't cleaned the kitchen yet. Today, Emma is having dinner at home with friends, so she wants her house to look perfect. She is going to do the shopping and tidy her room.

Right now, she is loading the dishwasher. After that, she will clean the kitchen floor and take out the rubbish. Emma's sister has baked a cake for the dessert, so Emma only needs to prepare dinner. She is going to cook pizzas.
