READING (20 marks)

1) Read about Tony. Then read the sentences and write true or false. (10 marks)

Tony's life.

My name is Tony. There are five people in my family: me, my parents and my two sisters. I'm twelve, and I'm the youngest person in the family. My dad is a teacher. My mum works in a library. She's younger than my dad. My dad is free at weekends, but Mum works on Saturday mornings.

We live in a flat in Harlow, a big town about fifty kilometres from London. We moved here three years ago. Before that, we lived in Oxford. I like living here because there are lots of young people in my street.

It's only five minutes on foot from our flat to my school, so I don't need to get a bus in the morning. I enjoy learning languages and my favourite subject is Spanish. I'm going to visit Spain next month with a group of students from my school. It'll be my first visit to Spain. I can't wait!
