

Ficha Interactiva: Partes del computador

I. Arrastra el nombre que le corresponde a cada parte del computador

A diagram of a desktop computer system. At the top center is a monitor with a blue screen. Above the monitor is a small camera. To the left of the monitor are two red speakers. Below the monitor is a blue keyboard. To the right of the keyboard is a blue mouse. To the right of the mouse is a tall, dark green CPU tower. To the right of the CPU tower is a blue printer. Arrows point from each of these components to a white rectangular box for labeling. Below the diagram is a row of seven white boxes containing the following labels: Parlantes, Teclado, Cámara, Impresora, CPU, Mouse, and Monitor.

Parlantes Teclado Cámara Impresora CPU Mouse Monitor

A diagram of a laptop computer. The laptop is shown from a slightly elevated angle. Arrows point from the screen, the keyboard, the trackpad, and the bottom of the laptop to white rectangular boxes for labeling. Below the diagram is a row of six white boxes containing the following labels: Parlantes, Teclado, Cámara, CPU, Mouse, and Monitor.
