LIVEWORKSHEETS

MUST and MUST NOT

Must means it is very important to do something.

Example:
There is a leak! You must switch off the pump immediately!
There is gas in the space! You must not enter!

With must the pattern is:

You	must	use	safety equipment.
We	must not	smoke	in the holds.

Read the sentences. Look at the pictures. Write a command for each situation. Use MUST or MUST NOT!

1. There is a smell of gas in the hold. You ..... wear your breathing apparatus.

2. There is an electrical fire. We ..... get the fire extinguisher.

3. The fire alarms are ringing. We ..... save ourselves.

LIVEWORKSHEETS

4. There is a man overboard. I ..... release the life buoy.

5. The air is toxic. Everyone ..... enter the room.
