The children go into the Science lab. Patrick isn't (1) happy because he doesn't like Science. Alex and Phoebe think that something strange is happening. Then they see the date and it's the same date as when they started their adventures. Alex is (2) _____ that it is all going to happen again. Phoebe says that if they are (3) _____, they won't have an accident. They decide that Patrick can't help this time. Alex and Phoebe do all the same experiments again, while Patrick just watches. He is (4) _____ and he's fiddling with his goggles. Mr Davis, the teacher, comes to talk to the children and he tells Patrick to put his goggles on. The goggles fly out of Patrick's hand and knock over a jar of powder on the shelf above the desk. The powder starts falling into the mixture below. There is a big explosion and Patrick is (5) _____, but then the yellow light appears. The children know what they have to do and they walk through the gate.
