EarthWatch

the environmental organisation that cares

Are you worried (1) our planet?

We at *EarthWatch* care about the damage that's being done (2) our environment. We're aware (3) the problems that this damage will cause in the future, and we believe that we're extremely short (4) time. If we don't act soon, it will be too late!

There's been an increase (5) all kinds of pollution in the past hundred years. This pollution is destroying the ozone layer, and creating global warming. We've got to prevent people (6) polluting the planet further. It's not going to be easy to save the Earth (7) destruction, but we have to try.

If you're afraid (8) what might happen if we don't all change our ways, if you're serious (9) helping to save the world, if you're enthusiastic (10) fighting for the only planet we've got, then we want to hear from you!

Think (11) it! You can't escape (12) the facts. The Earth is in danger and it's going to take every single one of us to help save it. Join us today!
