F Read the memo to the servers in a restaurant. Then write T for the true statements and F for the false statements.

MEMO

TO: All servers
FROM: Matt Hanson
RE: Uniforms

DATE: 10/16

This season we have new uniforms. All servers – men and women – have to wear the new uniform. The pants are white, and the shirt is orange. The uniform also has a white belt, but you don't have to wear it. You need to wear white socks, but there are no socks with the uniform. You have to buy your own socks.

The new uniform costs \$49.95. You don't have to pay for a uniform. The restaurant is paying for two uniforms for all servers. If you want more than two uniforms, you have to pay for the extra uniforms.

Thank you.

1. Only men have to wear uniforms. _____
2. The uniform's shirt and pants are different colors. _____
3. There's no belt for the uniform. _____
4. Servers have to buy white socks. _____
5. Servers need to pay for two uniforms. _____
