Homework

Exercise 1. Translate the underlined Vietnamese phrases into English.

Topic card: Describe a time when you were busy.

With the incredibly fast-paced living, it is usual to see how employees and students cảm thấy kiệt sức because many of projects, and so do I. today, I would like to talk about a time when I was ngập trong các hạn chót at university.

.....
.....
.....

I remember it happened when I was a sinh viên năm nhất. The allowed time for the whole team and me to prepare was 2 weeks. Because that was our first and dự án quan trọng, I was cực kì bận rộn during that time.

.....
.....

.....
I was chosen to be the leader so there were tons of tasks waiting for me to be được thực hiện, such as searching topics, making a dàn bài chi tiết or doing group discussions to brainstorm ideas.

.....
.....
.....
I can say that I am a người hay trì hoãn, therefore, I had my hands full with the deadlines. More specifically, I was unable to cập nhật blog của tôi, keep up with my các nền tảng xã hội, and visit a few close friends.

.....
.....
.....
Because I didn't feel good about the project, I found it to be đặc biệt căng thẳng. Luckily, I had such a wonderful team who always supported and motivated me. Thanks to our good teamwork, we finished the project đạt kết quả mỹ mãn.

.....
.....
.....
Although it was quite tough for me at that time, it was such một kinh nghiệm xứng đáng since I gain valuable lessons in time management and đối phó với sự căng thẳng.

Exercise 2. Take notes to answer the question below, then record your response.

Topic card: Describe a time when you didn't have enough time

You should say:

- When it was
- What you tried to do or finish
- Where you were
- And explain why you didn't have enough time
