

Jacob's Daily Routine

A) Read the story.

This is me, Jacob. I am nine years old. I always start my fresh day by waking up at 7:50 in the morning. Then, I go to brush my teeth because it is the most important thing to do every day. School starts at 8:30 in the morning. I go to the bedroom and dress up. Then, I need to eat breakfast with my family. After that, I go to school at 8:15 because I don't want to be late. At lunchtime, I usually have a conversation with my friend, Jake. Before school ends, I always say goodbye to my teachers. My favourite teacher is Mr. Greyson. He is always very friendly! At 2:50 p.m., I went home, I see my sister is playing with my toy! She always does this, but I let her permission to use my toy. At 6 p.m., I do my homework. At 10 p.m., I am in my bed and sleep for some wonderful dreams!
