

Nora lives at number 7.

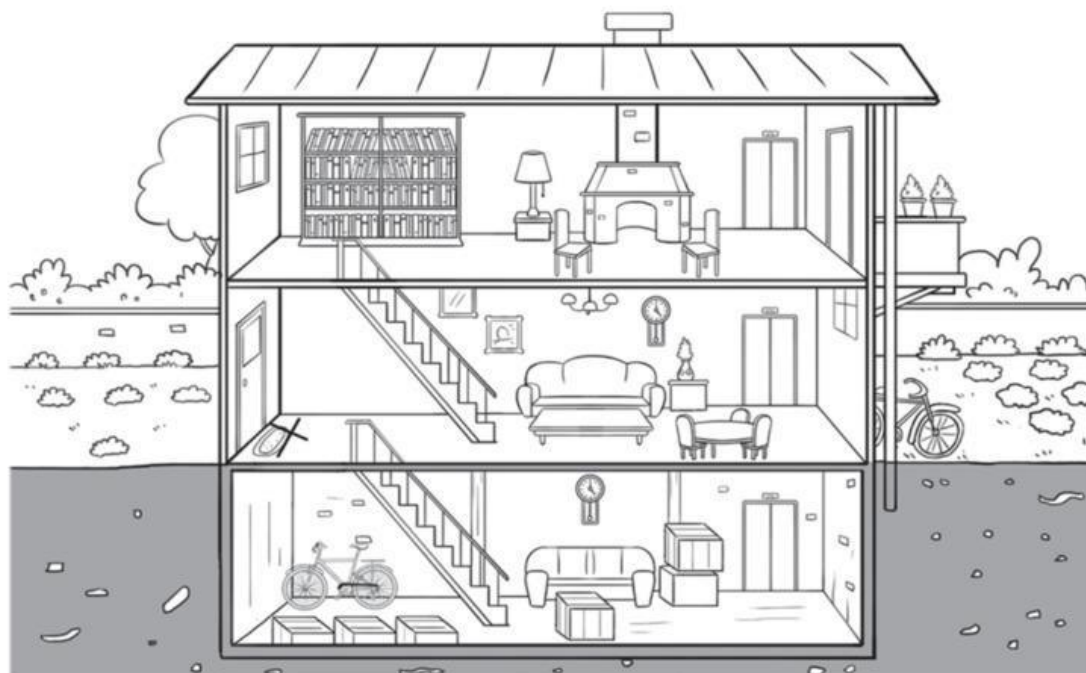

Olivia's flat has got a balcony too. Olivia lives under Nora.

Andrew's flat has got big windows too. Andrew takes the lift to his flat.

Lucy doesn't take the lift to her flat. She goes up the stairs. Lucy lives in the flat above George's flat.

2. Read Grandpa's letter and put the words in order. Then put a cross on the house where there is a present. There is one example.

My dear grandson and granddaughter,
 I've got some small presents for you ... but you have to find them!
 Go to my old house. Stop at the ¹(ordo) door. There's a present under the mat.
 Open the door. Go down the stairs to the ²(besamten) _____.
 There's a present under the clock.
 Go into the lift and go up two ³(orosfl) _____ to the old library.
 There's a present above the bookcase.
 Go downstairs and into the living room. There's a present under the ⁴(asof) _____.
 Go to the ⁵(bylcoan) _____. There's a present between the plants.
 Go down to the garden under the balcony. There's a present next to my ⁶(bkie) _____.
 Have fun!
 Love from Grandpa
