## 1a Read Leo's blog. Answer the questions.

(5 x 1 = 5)

**Mike's Band**

I love music and I'm in a rock band called The Pelicans. There are four kids in our band and we all get on very well. Andy plays the drums, Mary sings, and John and I play the electric guitar. We meet at the weekends and spend hours practising and recording songs. We write our own music as well!

Last week, we performed in a talent competition in our town. The venue was very crowded so it was a great opportunity for us to play in front of a big audience. We practised for weeks before the competition. We were a bit nervous at the beginning of the performance, but then we really enjoyed ourselves. It was a great experience and the audience seemed to really like our music. We thought we did very well. But there were a lot of extremely good performers at the talent show so we didn't win. Of course, we were very upset after the show, but we aren't going to give up! In fact, we are meeting on Saturday to write a new song!

My dream is to become a professional musician one day, so I would like to study music at college when I finish school. I know it's very difficult to become a successful musician, but I really want to try!

2. What do The Pelicans do when they meet at the weekends? Write three things. \_\_\_\_\_
