Module 6 – Internet Safety

Student:	

Do you think the internet can be a dangerous place?

Internet Safety

The Do's and Don'ts of Using the Internet

As teens, most of you cannot imagine a world without the internet. But it is important to keep in mind some essential guidelines to follow so you can be safe while surfing.

DOs   DON'Ts

Read the following statements and classify them into the correct column.

Keep your online identity a secret.

Meet anyone in person that you have met online.

Share your username or password.

Behave online, just like you would offline.

Post any inappropriate material or pictures.

Believe everything you see or read online.

Do's	Don'ts
