1. Read the procedure to make a Hawaiian pizza.

First, preheat the oven to the temperature which is recommended for your pizza base, usually around 220°C (425°F).

Then, spread the tomato sauce on a pizza base.

Next, Sprinkle shredded mozzarella cheese generously over the sauce.

After that, add slices of ham and canned or fresh pineapple chunks evenly across the pizza.

Finally, bake the pizza in the oven for about 10-15 minutes, or until the cheese is melted and bubbly.

Enjoy your delicious Hawaiian pizza! 🍍🍕
