Lesson C:

Talents and Abilities

Listening

Listen to the conversations. Decide if the sentences are affirmative or negative. Choose the correct option.

Reading

Human talents and abilities are diverse and unique. Read the text to explore the various types of talents and skills that people possess, and then answer the questions.

A World of Talents

Everyone has different talents and abilities. Talents are special skills that we have naturally. Abilities are skills that we can develop through practice and learning.

Artistic Talents: Some people have a natural ability to create art. They can paint, draw, or design. Artistic talents help express feelings and ideas in beautiful ways.

LIVEWORKSHEETS

Athletic Abilities: Some people excel in sports. They are fast runners, skilled soccer players, or great swimmers. Athletic abilities often come from practice and physical training.

Musical Talents: Many individuals can sing or play instruments. Musical talents include understanding rhythms and melodies. These skills bring joy to others through music.

Academic Skills: Certain students have a talent for subjects like math or science. They can solve problems quickly and understand complex ideas. These abilities are important for learning.
