Reading Comprehension

Directions: Read the passage and answer the questions.

Dear Duncan,

How are you? It's my third day here at Health Camp, and I love it!

On the first day, we answered some questions: what we usually eat, how much we exercise, how much fruit we eat every day, how many sweets we eat and how often... even how many hours sleep we get! I'm afraid I'm not very healthy. I always eat some fruit with every meal, but I eat a lot of chocolate too.

The doctor weighed us and looked at our answers. I need to change some things; for example, I have to eat more fresh vegetables, and drink eight glasses of water a day. That's a lot! It's OK to eat some chocolate and sweets, but I shouldn't eat them every day.

We exercise a lot here, too. Yesterday, we went on a long run – four kilometres! It was very difficult, but we didn't run fast. We run to become healthier and stronger, not to win.

That's all for now. Just wait until I come back! You'll see a big difference in me!

Bye for now,

Richard
