Midway, she joined a group of hikers who had stopped to \_\_\_\_\_ in a beautiful clearing. Later, while she chose to \_\_\_\_\_ by a stream, she realized she'd lost her map. Emily \_\_\_\_\_ at her forgetfulness and asked a passerby for help, quickly \_\_\_\_\_ the directions.

On her way back, the map \_\_\_\_\_ near the clearing. With relief, she completed the hike, grateful for an adventurous day filled with challenges, laughter, and new connections.
