

Sally : Mom, I want to go to the cinema with my friends because I am bored.

Mother : OK, Sally. But first, let's look at the weather forecast.

Sally : Oh, why? What is the weather like?

Mother : It is rainy and cold outside, sweetie, so it is not a good idea to go out.

Sally : Don't worry, mom. I can take my umbrella and wear my raincoat.

Mother : Well, OK. But I think you need your boots, too.

Sally : OK, mom. I can wear my boots.

Mother : Then, you can go.

Sally : Thanks, mom.
