

Snowman

Sia

Don't cry, snowman,
..... if you can't catch me,
darling?

....., darling

Don't cry, snowman,
..... can't hold me close, baby
....., baby

..... that I'm never leaving
....., 'til death we'll be freezing

Yeah, you are my home,
....., let's go

..... and hide from the sun
..... where we'll have some fun

Yes, and live happily

Please,, it's

Christmas, baby

My snowman and me

Baby

Don't cry, snowman,
..... without legs to run, honey?

..... honey

Don't cry, snowman,
..... if you don't have

ears, baby?

....., baby

I want you to know

'Cause I'm Mrs. Snow,

Yeah,, my home for all seasons

So come on,

Let's go below zero and

I love you forever

Yes, let's hit the North Pole and

Please, don't cry no tears now,

My snowman and me

My snowman and me

Baby
