2 ★ Complete the text with *used to* or *didn't use to*.

When I was very young, I ¹ used to want to be a swimming teacher, because I loved swimming and I ² used to like our sports teacher. Sometimes, I ³ used to want to be an astronaut as well, because I really liked space. When I got older, I started to get interested in computers. We ⁴ didn't use to have a good computer at home, only a very old one, but then my dad decided to buy a really good one. My parents ⁵ used to let me spend much time on the computer – just a few hours a week. When I was 13, I started learning how to write my own games. I ⁶ didn't use to know how to do that before, but I had a great teacher at school who showed me how. In the future, I'd like to be a games developer!

- 1 Well, no. I got my first mobile phone 15 years ago. Before that, we didn't use to have the internet or even computers. We didn't use to have a phone at home, of course.
- 2 We used to send letters, phone each other or just meet up a lot. Life used to be calmer then.
- 3 I watched TV. I used to read a lot of books, too. A lot of people now go shopping. We used to think that because we didn't have the money.
- 4 Good question! I used to be about them at all! I didn't use to think I couldn't get old. I still don't think I'm old!
