My City

Amy

I live in New York and I love it! It has over eight million people who speak 800 different languages. 60 million visitors come here every year. My favourite way to get around is on foot, especially to places such as Times Square, one of the most famous and popular tourist sights. You get the feel of New York here. From there it's only a ten-minute walk to Hell's Kitchen, where you can get delicious food from all over the world.

Bao

I'm from Shanghai, the biggest city in China. 24 million people live here. It's the second most popular city for tourists in China. The Bund is a great place to visit; you can see historical buildings and modern futuristic buildings, and you can enjoy the view if you take a boat tour along the river. I love going to Chenghuanmiao Old Street, where you can eat food prepared on the street. Both local people and visitors love it!

Nigel

I was born in London and I don't think I'll ever leave! It's the economic, shopping, cultural and financial centre of the UK, and millions of tourists come here every year. London is famous for its red buses and tourists love using them to get around. Many companies offer bus tours around the most interesting places to visit. You can also see the city if you take a boat tour through the centre of the city. My favourite place is Soho because there are lots of restaurants and exciting things to do and see there.
