Last week we were at the School Museum. What an interesting place! You can travel back in time there and be a school child in 1837. The school is in a ..... village ..... and it's very different from our school.

The school is in an old <sup>1</sup> ..... Inside there's one very large classroom called the School Room. In 1837 there were 200 children in this room, and there was only one teacher in the class. The desks were really <sup>2</sup> ..... and old-fashioned, and they were all facing the front.

At the School Museum there is a real teacher, so you can have a lesson in the school room. You sit at the desks and try writing with the <sup>3</sup> ..... with real ink. The lesson we were in at the School Museum was <sup>4</sup> ..... and boring. And all my answers were wrong!

Life for school children in the past wasn't fun. After school the children were busy working for their families. There wasn't much free time and, of course, there weren't any gadgets like TVs or <sup>5</sup> .....
