#### 4 Read and number.

Hello, I'm Sam. When I was young I was very quiet. I learnt to walk and talk when I was two. But I wasn't very friendly. Then I got a pet when I was three – a very cute dog. I started nursery school when I was four and then I was different. I was very friendly and noisy! I moved house when I was six. The garden was great for my dog. When I was eight I wrote a story about my dog. My parents were happy. When I was nine I went on a plane for the first time. I went to Hawaii with my family. It was cool!
