My name is Linta. I live on Jalan Jambu. My house is near a coffee shop. Today, me and my sister went shopping her to the market. The market is on Jalan Nuri, there are many public places along this street. From our house, we walked to east for 200 meters until we find a restaurant. From that restaurant, we turn left and walked to 10 meters until a crossroad. Beside that crossroad, there is a bookstore. From that crossroad, we walked straight to the north for 100 meters until we find a department store. The market is located between a department store and clothing store.
