**Tips for better skin** By clarity 27/10 14.25  
Hi! I'm Olivia and I'm 14 years old. I have **greasy** skin and I don't know what to do. Does anyone have any tips?

**Re: Tips for better skin** By skin\_clinic 27/10 16.35  
Wash your face every morning and evening and after you exercise. But don't scrub your skin because it can **irritate** it. Also, use a gentle facial wash so that it doesn't irritate the skin and **trigger** oil production.

### 4 Olivia can solve her skin problem if she

**A** exercises regularly.  
**B** uses the right kind of facial wash.  
**C** washes her skin several times a day.

### Vocabulary

- **greasy** - oily
- **irritate** - to cause an uncomfortable physical reaction
- **trigger** - to cause something to start

### MuLus Tips

The phrase 'if she' tells you to look for something that she must **do** to get a result that she wants. What must Olivia do so that her skin is no longer greasy?
