3 Complete the spidergrams with words from Exercise 1.

4 Complete the story with the correct form of words from Exercise 1.

I met my friend Kazue yesterday for the first time! Actually, I first met her online about six months ago. She's from Japan and now she's visiting my country with her family. I <sup>1</sup> greeted her at the airport when she arrived. In her emails, she <sup>2</sup> \_\_\_\_\_ herself as quite small, but in fact she's as tall as me. I also met her brother and her parents. I wanted to <sup>3</sup> \_\_\_\_\_ hands with them, but Kazue quietly <sup>4</sup> \_\_\_\_\_ in my ear that Japanese people don't usually do that when they meet. I already knew what her brother looked like, because Kazue sometimes <sup>5</sup> \_\_\_\_\_ photos of him online. He was very friendly and he <sup>6</sup> \_\_\_\_\_ a lot. Kazue's parents don't speak English, but Kazue <sup>7</sup> \_\_\_\_\_ everything I said into Japanese. Kazue and her family were tired and wanted to go to their hotel. I arranged to meet Kazue the next day and we <sup>8</sup> \_\_\_\_\_ goodbye as they drove away in a taxi.

### Explore it!

Guess the correct answer.

People originally shook hands because ...

a they wanted to find out how strong the other person was.  
b they wanted to show that they didn't want to start a fight.  
c they wanted to check that the other person had clean hands.

Find an interesting fact about greetings and send the question in an email to a classmate or ask them in the next class.
