

# One in a Million

You're one in a million  
You're one in a million

Sometimes love can hit you everyday  
Sometimes you can fall for everyone you \_\_\_\_\_  
But only one can really make me stay  
A sign from the \_\_\_\_\_  
Said to me

You're one in a million  
You're once in a \_\_\_\_\_  
You made me discover one of the stars above  
us  
You're one in a million  
You're once in a lifetime  
You made me discover one of the stars above  
us

I've been \_\_\_\_\_ for that special one  
I've been searching for someone to give my  
love  
And when I thought that all the hope was gone  
A \_\_\_\_\_, there you were and I was gone

I always will remember how I felt that day  
A feeling indescribable to me

Yeah  
I always knew there was an \_\_\_\_\_ for my  
prayer  
And you, you're the one, the one for me

You're one in a million  
You're once in a lifetime  
You made me discover one of the stars \_\_\_\_\_  
us  
You're one in a million  
You're once in a lifetime

You made me discover one of the stars above  
us

You're one in a million  
You're once in a lifetime

You made me discover one of the stars above  
us  
You're one in a million  
You're once in a lifetime  
You made me discover one of the stars above  
us

In the beginning I was cool and everything  
was possible

They tried to catch me but it was impossible  
No one could hurt me, it was my game  
Until I met you baby and you were the same  
And when you didn't want me, I wanted you  
Because the funny thing about it is I like the  
show

I like it when it's difficult I like it when it's hard  
Then you know it's worth it, that you've found  
your heart  
Found you heart

You're one in a million  
You're once in a lifetime  
You made me discover one of the stars above  
us  
You're one in a million  
You're once in a lifetime  
You made me discover one of the stars above  
us
