

1 Choose the correct word or phrase to complete each sentence. In some sentences, both answers are correct.

1. I remember that my father **would / used to** read to me every night.
2. Gemma **would often / often used to** cycle to school from her flat before she moved.
3. Where **would you / did you** use to live before you moved here?
4. I **would / used to** love playing in the park near our house.
5. There **wouldn't / didn't use to** be so many flats in this area when I was very young.
6. How **would you / did you** use to get to school when you were little?

3 Write the correct form of *would* or *used to* in each gap to complete the text. If there is more than one correct answer, write both answers.

I was chatting to Mum earlier about when she was a teenager. She (1) _____ share a bedroom with her sister and it sounds very different from my own room. They (2) _____ have so much technology. They (3) _____ listen to music in their room, but they (4) _____ have a computer or TV. And they definitely (5) _____ have a computer in their room! (6) _____ get bored? Mum says 'no'. She (7) _____ invite her friends round, and they (8) _____ chat and have fun. That's just the same today!
