1 _____
Natural disasters kill an average of 60,000 people, affect millions of people's lives, and cost billions of dollars each year around the world. We cannot stop disasters from happening, but we can minimize their negative effects if we learn to live with them. Being ready for disasters can save many lives and reduce injuries and damage. Here are some tips to get ready for any natural disaster:

2 _____
Secure heavy furniture to the walls. Put shutters on the windows. Know how to turn off the water and gas in the event of an emergency. Keep a fire extinguisher and learn how to use it.

3 _____
It should contain medical tape, bandages, scissors, anti-itch cream, burn relief gels, and antibiotic cream.

4 _____
Put enough food, water, and clothes in your bag for each family member. You will also need some items like a manual can opener, batteries, multifunctional penknives, chargers for mobile phones, a portable radio, cash, a first-aid kit, and medicine.
