

CHRISTMAS EVE - 3 TEENS

Read the tasks and match the names with the statements

Tim

I love our family traditions. On Christmas Eve, we attend a special service at our church. We are given candles and the lights are turned out. We sing traditionally Christmas songs. It's really beautiful. Afterwards we go home and have special treats. Then we go to bed early to be ready for Christmas Day!

Ximena

Our entire family gets together at my grandmother's house. She makes a big turkey and other delicious foods. We all arrive at about 10 p.m. on Christmas Eve. At midnight, the turkey is served. The young people can open our gifts. We often go outside and light sparklers. I love the food but I always eat too much! It's a wonderful experience for me.

Louise

Since I spend all day Christmas Day with my family, I spend Christmas Eve with my friends. Every year we choose one person's home and we get together there. We eat lots of sweet things and we exchange small gifts. We listen to music and dance a bit. We don't stay out too late because we want to save our energy for Christmas Day!
