## Reading and Writing

**FUN TIME!** How did you spend your last holiday? Did you have fun?

I went to Cambridge with my family for a day. First, we got on a red bus and went sightseeing. I took lots of photos with my new camera. Then we bought food from the market and had a picnic next to the river. After that we went on a boat! That was exciting. I didn't buy any souvenirs because we didn't have time.

My best day out in the holidays was to the Transport Museum. I went there with my parents and little brother. We learnt lots about the history of transport in the UK. It wasn't boring because there was so much to see and do. We got on and off beautiful old trams and my brother was a bus driver for five minutes!

There's a small farm near my town for animals with no home. My granny sometimes helps there. I went with her one day in the holidays. There were cats, dogs, hamsters and four horses. The farm looks after the animals and looks for a new home for them. I'm going to help there next summer. I can't wait!
