Health

Choose the correct option.

Teacher: You've been _____ a lot today. Are you feeling okay?

Student: Not really, I think I might have a _____.

Teacher: Make sure to drink warm tea and take some _____ when you get home.

Student: Should I also bring a _____ from the doctor tomorrow?

Teacher: Yes, that would be a good idea if you don't feel better by then.

Sophia: Why are you scratching your arm so much, Liam?

Liam: I've got this terrible _____. I think it might be an allergy.

Sophia: Did you try using any _____? That might help.

Liam: No, but I also noticed a small _____ forming.

Sophia: Then you should tell Mom so she can get you some _____.

Coach: Are you okay? You look really _____ after running those laps.

Noah: I'm fine, but I think my _____ is acting up again.

Coach: Do you have your _____ with you? You should use it right away.

Noah: Thanks, Coach. I might also need a minute to _____.

Coach: Take your time, but let me know if you start feeling _____.

Mom: Oh no, look at your arm! You've got a big _____. How did that happen?

Son: I tripped and fell while running on the playground.

Mom: Let me grab some _____ to reduce the swelling, and we'll put a _____ on the cut.

Son: Do you think it will heal soon?

Mom: Yes, but let's keep an eye on it for _____.

Doctor: You seem to have a _____, because your forehead feels very hot.

Patient: Yes, I've been feeling weak and _____ all day.

Doctor: Let's check your _____ as well, just to make sure everything is okay.

Patient: Thank you, doctor.

Doctor: I'll also prescribe you some _____ to help with the infection. Make sure to take them with _____.
